

ContestDojo Guides

There are two ways students can register for the online competition on ContestDojo: With a Coach/Without a Coach. For registering with a coach, we need the Coach (Teacher) to register first, get a join code, and assign students to teams. Alternatively, students can register for the competition without a coach, and then 1 team member can make a team that others can join. We have outlined both processes below, starting with the registration guide for Coaches, then Students. Within the students section, there are two subsections of registering with/without a Coach.

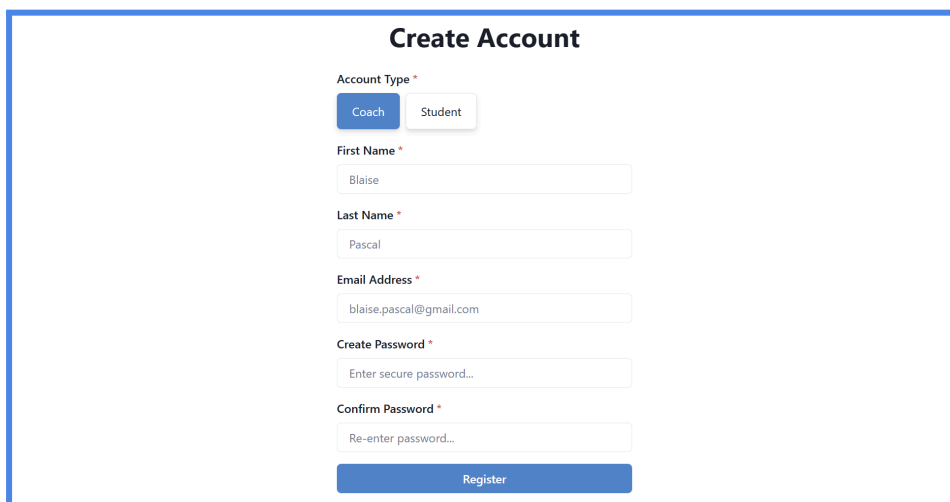

Table of Contents

[ContestDojo Guide for Coaches](#)

[ContestDojo Guide for Students](#)

ContestDojo Guide for Coaches

1. Visit <https://contestdojo.com/register>, and sign up to ContestDojo as a “Coach”

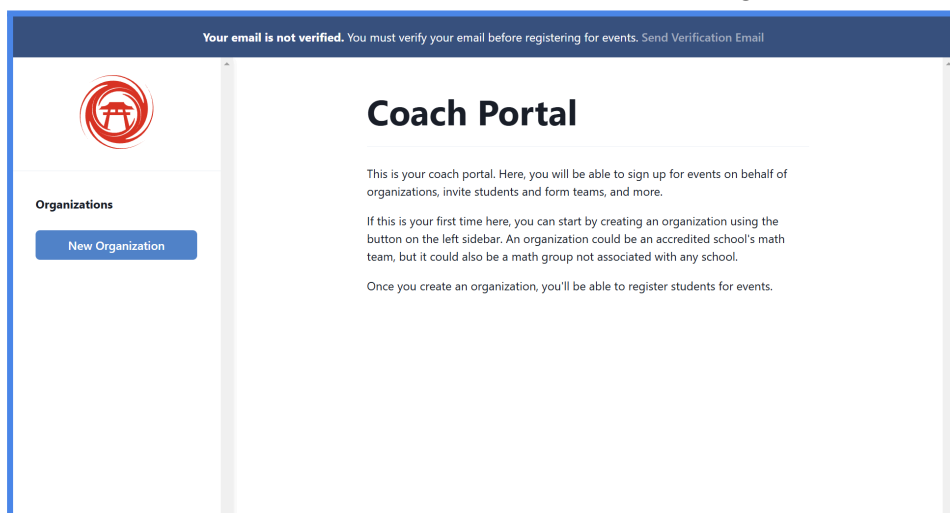

The screenshot shows the 'Create Account' page on ContestDojo. At the top, it says 'Create Account'. Below this, there are two tabs: 'Coach' (selected) and 'Student'. The form fields are as follows:

- Account Type ***: Coach (selected), Student
- First Name ***: Blaise
- Last Name ***: Pascal
- Email Address ***: blaise.pascal@gmail.com
- Create Password ***: Enter secure password...
- Confirm Password ***: Re-enter password...

At the bottom of the form is a blue button labeled 'Register'.

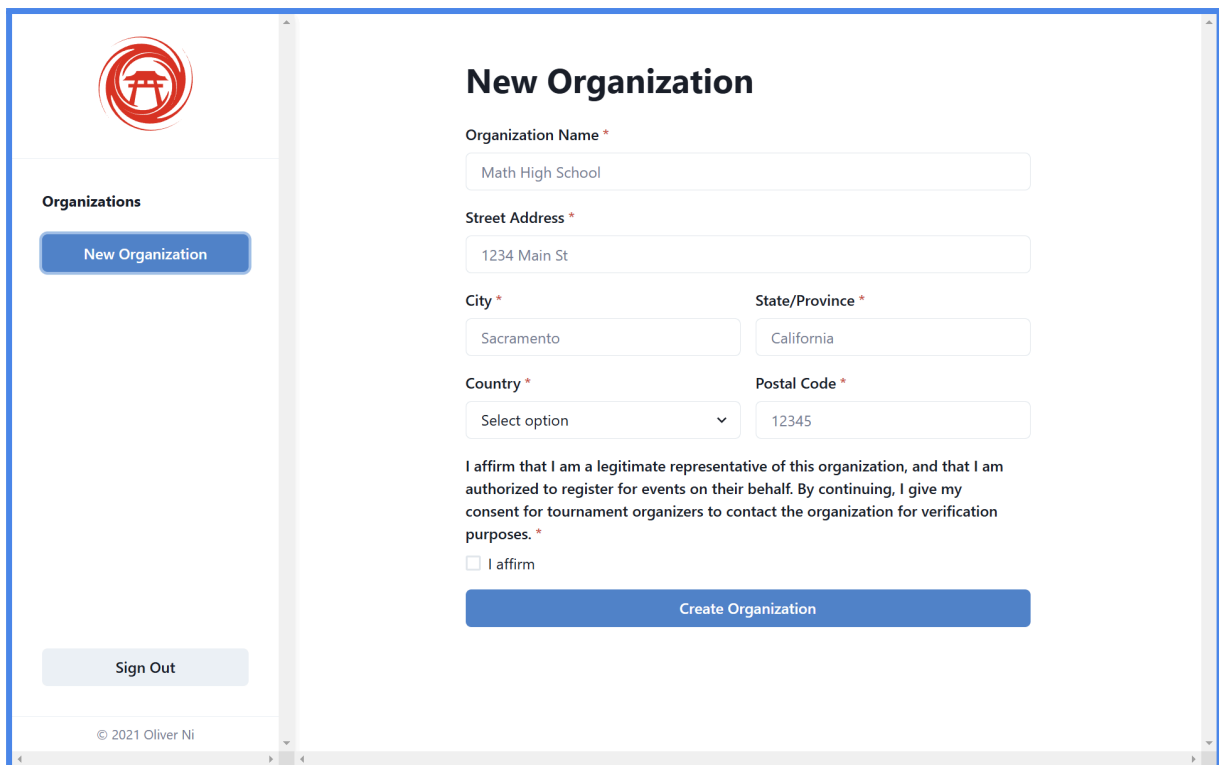

2. You will need to verify your email address by sending a verification email.

The screenshot shows the 'Coach Portal' page on ContestDojo. At the top, there is a blue banner that says 'Your email is not verified. You must verify your email before registering for events. Send Verification Email'. Below this, the page is divided into two main sections:

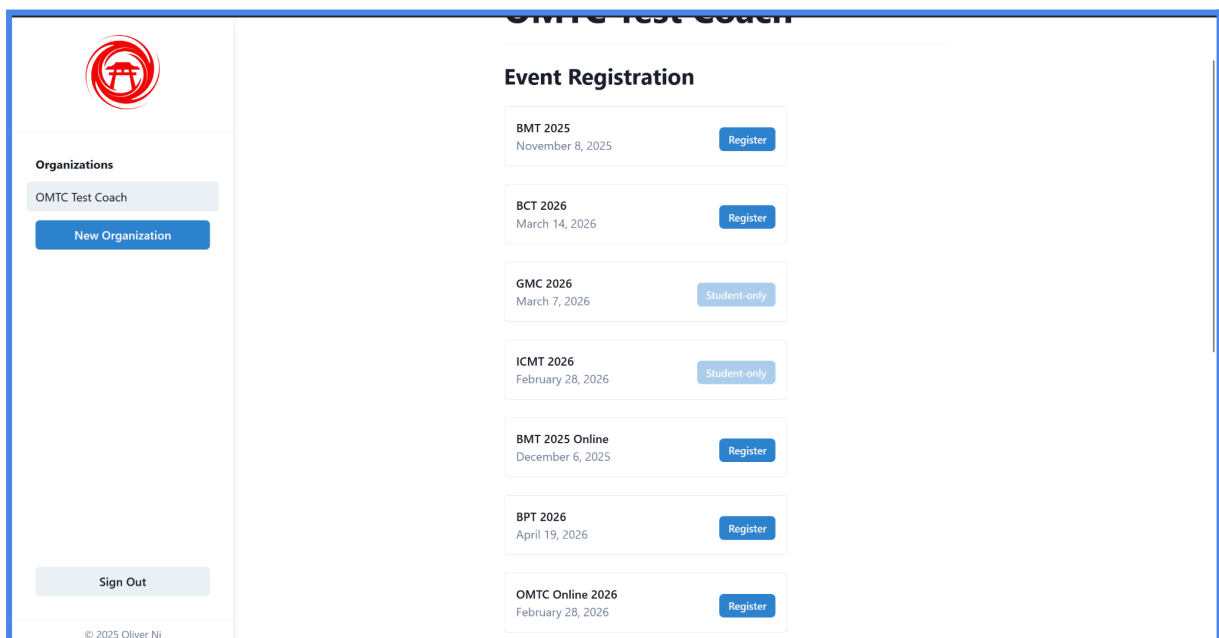

- Organizations**: A sidebar on the left with a red circular logo containing a white 'C' and a 'D'. Below the logo is a blue button labeled 'New Organization'.
- Coach Portal**: The main content area on the right. It contains the following text:
 - This is your coach portal. Here, you will be able to sign up for events on behalf of organizations, invite students and form teams, and more.
 - If this is your first time here, you can start by creating an organization using the button on the left sidebar. An organization could be an accredited school's math team, but it could also be a math group not associated with any school.
 - Once you create an organization, you'll be able to register students for events.

3. Once verified, reload the page and click on “New Organization” and enter your school’s information. (If you get an error, please reload the page again)

The screenshot shows a web interface for creating a new organization. On the left is a sidebar with a red circular logo at the top, followed by the heading "Organizations", a blue "New Organization" button, and a grey "Sign Out" button at the bottom. The main content area is titled "New Organization" and contains several input fields: "Organization Name *" (filled with "Math High School"), "Street Address *" (filled with "1234 Main St"), "City *" (filled with "Sacramento"), "State/Province *" (filled with "California"), "Country *" (a dropdown menu showing "Select option"), and "Postal Code *" (filled with "12345"). Below these fields is a paragraph of text: "I affirm that I am a legitimate representative of this organization, and that I am authorized to register for events on their behalf. By continuing, I give my consent for tournament organizers to contact the organization for verification purposes. *". Under this text is a checkbox labeled "I affirm". At the bottom of the form is a large blue "Create Organization" button. The footer of the page shows "© 2021 Oliver Ni".

4. Once you have created your organization, return to the home page, scroll down, and click “Register” for the OMTC Online 2025 event.

The screenshot shows the "Event Registration" page. The sidebar on the left is identical to the previous screenshot, but the "New Organization" button is replaced by a grey button labeled "OMTC Test Coach". The main content area is titled "Event Registration" and lists seven events, each with a date and a "Register" button (except for two which are "Student-only"). The events are: "BMT 2025" (November 8, 2025), "BCT 2026" (March 14, 2026), "GMC 2026" (March 7, 2026), "ICMT 2026" (February 28, 2026), "BMT 2025 Online" (December 6, 2025), "BPT 2026" (April 19, 2026), and "OMTC Online 2026" (February 28, 2026). The footer shows "© 2025 Oliver Ni".

Event Name	Date	Action
BMT 2025	November 8, 2025	Register
BCT 2026	March 14, 2026	Register
GMC 2026	March 7, 2026	Student-only
ICMT 2026	February 28, 2026	Student-only
BMT 2025 Online	December 6, 2025	Register
BPT 2026	April 19, 2026	Register
OMTC Online 2026	February 28, 2026	Register

5. Click on “Begin Registration”, then to add your team(s), click “Add Team”

OMTC Online 2026 OMTC Test Coach

The OMTC (Oxford Mathematics Team Challenge) is a maths competition for students in Years 11-13. We're trying to make a competition that makes fascinating maths feel approachable, even for students without experience with supercurricular maths or olympiad practice.

OMTC Online 2026 is happening on Saturday, 28th January, from 9:30 a.m. - 2:30 p.m. GMT. A corresponding offline competition is on Friday, 27th January in Oxford. A timetable, specimen papers and more information about the competition can be found on our website <https://www.omtc.co.uk/>.

Teams

Click the "Add Team" button to create a new team.

This contest is free to enter.

Add Team

Unassigned (Non-participating) Students

Once you add a student to your organization, they will receive an email invitation to create an account on our website. If a student already has an account from a previous tournament (such as the Stanford Math Tournament), they will receive an email

6. Name the team according to your school so it is easy to recognize. If you have multiple teams participating, you can add more teams and number them 1,2.. and so on.

OMTC Online 2026 OMTC Test Coach

The OMTC (Oxford Mathematics Team Challenge) is a maths competition for students in Years 11-13. We're trying to make a competition that makes fascinating maths feel approachable, even for students without experience with supercurricular maths or olympiad practice.

OMTC Online 2026 is happening on Saturday, 28th January, from 9:30 a.m. - 2:30 p.m. GMT. A corresponding offline competition is on Friday, 27th January in Oxford. A timetable, specimen papers and more information about the competition can be found on our website <https://www.omtc.co.uk/>.

Teams

Click the "Add Team" button to create a new team.

This contest is free to enter.

Add Team

Unassigned (Non-participating) Students

Once you add a student to your organization, they will receive an email invitation to create an account on our website. If a student already has an account from a previous tournament (such as the Stanford Math Tournament), they will receive an email letting them know to reuse that same account.

Students in this section are not officially registered. You must move all participating students to a team.

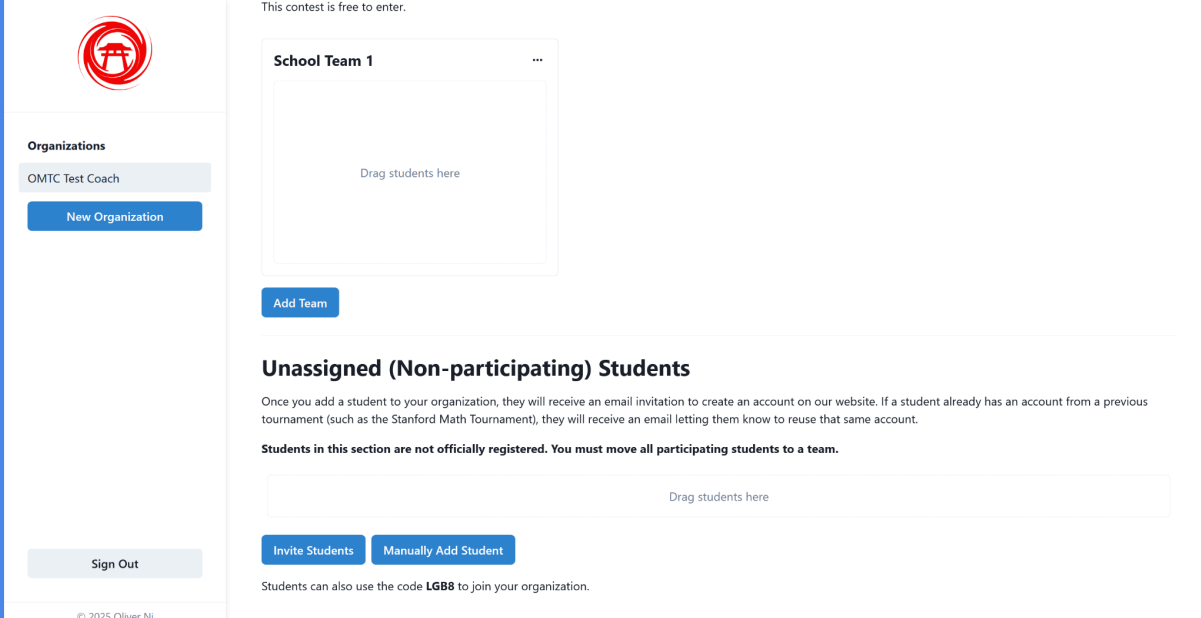

Drag students here

Invite Students **Manually Add Student**

Students can also use the code **LGB8** to join your organization.

7. Once your team is added you will have to invite your students. You could either give them the join code (last line in the picture) which they can use easily while registering (see **8.1** for details) or invite them using their emails.

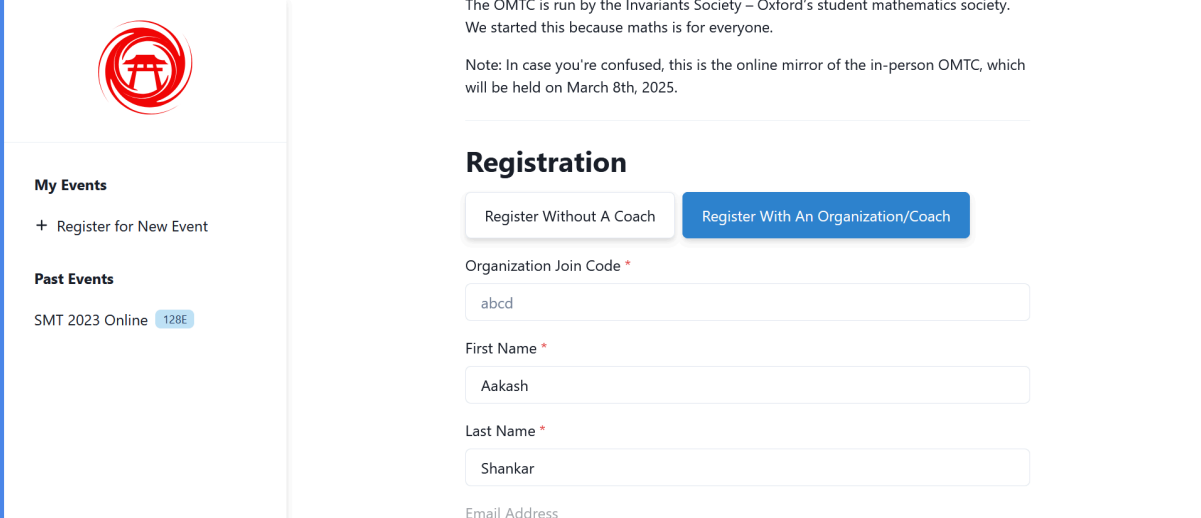

(Note that the Join Code will be different for your account, do not give them the one in the picture).

This screenshot shows the 'School Team 1' management interface on the OMTC website. The left sidebar contains the OMTC logo, 'Organizations' section with 'OMTC Test Coach' and a 'New Organization' button, and a 'Sign Out' button. The main content area has a header 'This contest is free to enter.' Below it is a box for 'School Team 1' with a 'Drag students here' area and an 'Add Team' button. Further down is the 'Unassigned (Non-participating) Students' section, which includes a note about email invitations, a warning that students are not officially registered, a 'Drag students here' area, and buttons for 'Invite Students' and 'Manually Add Student'. A footer note states that students can use the code 'LG88' to join.

© 2025 Oliver Ni

7.1 If you give your students the join code, then while they are registering for the contest using “Registering With an Organization/Coach”, the students can enter them in the “Organization Join Code” field (picture is from the student registration process)

This screenshot shows the student registration process on the OMTC website. The left sidebar contains the OMTC logo, 'My Events' section with a '+ Register for New Event' button, and 'Past Events' section with 'SMT 2023 Online' and a '128E' tag. The main content area has a header with text about the OMTC being run by the Invariants Society. Below this is the 'Registration' section with two buttons: 'Register Without A Coach' and 'Register With An Organization/Coach'. The 'Register With An Organization/Coach' button is highlighted. Below the buttons are input fields for 'Organization Join Code *' (containing 'abcd'), 'First Name *' (containing 'Aakash'), 'Last Name *' (containing 'Shankar'), and 'Email Address'.

8. Once students have joined your organization, you can see them in the Unassigned Students box. Then you can drag-and-drop them into their respective teams.

This screenshot shows the OMTC Test Coach interface. On the left sidebar, there is a logo at the top, followed by the 'Organizations' section which includes 'OMTC Test Coach' and a 'New Organization' button. At the bottom of the sidebar is a 'Sign Out' button. The main content area has a header that says 'This contest is free to enter.' Below this is a box for 'School Team 1' with a 'Drag students here' instruction and an 'Add Team' button. The 'Unassigned (Non-participating) Students' section follows, with a note explaining that students receive email invitations and that existing accounts from previous tournaments can be reused. It states that students in this section are not officially registered and must be moved to a team. A list of students is shown, with 'Aakash Shankar' as an example, each with edit and delete icons. Below the list are 'Invite Students' and 'Manually Add Student' buttons. A note at the bottom mentions that students can use the code 'LG88' to join. The footer shows '© 2025 Oliver Ni'.

10. Once students have been placed in a team: it will look something like this

This screenshot shows the OMTC Online 2026 interface. The left sidebar is identical to the previous one. The main content area has a header 'OMTC Online 2026 OMTC Test Coach'. Below this is a paragraph describing the OMTC (Oxford Mathematics Team Challenge) as a maths competition for Years 11-13. It mentions the date and time of the online competition (Saturday, 28th January, 9:30 a.m. - 2:30 p.m. GMT) and provides a link to the website (<https://www.omtc.co.uk/>). The 'Teams' section follows, with a note to click the 'Add Team' button to create a new team. It also states 'This contest is free to enter.' Below this is a box for 'School Team 1' which now contains the student 'Aakash Shankar' with edit and delete icons. An 'Add Team' button is at the bottom. The footer shows '© 2025 Oliver Ni'.

That's all that needs to be done from the Coach side. The students can then participate in a team on contest day using ContestDojo.

Registering with a Coach

3.1 Click “Register with an organization/coach” and ask your coach for the “Join Code” (Your teacher should have made a coach account and registered for the contest, see the **ContestDojo Guide for Coaches** for details)

The screenshot shows the registration page for OMTC Online 2026. On the left is a sidebar with the OMTC logo, a 'My Events' section with a '+ Register for New Event' link, and a 'Past Events' section listing 'CMC 2025' and 'SMT 2023 Online' with a '128E' badge. A 'Sign Out' button is at the bottom of the sidebar. The main content area has a header with a note about the offline competition on Friday, 27th January in Oxford. Below this is the 'Registration' section with two buttons: 'Register Without A Coach' and 'Register With An Organization/Coach'. The 'Organization Join Code' field contains 'abcd'. The 'First Name' field contains 'Aakash' and the 'Last Name' field contains 'Shankar'. The 'Email Address' field is empty. The 'Grade' dropdown menu is set to 'Select Grade'. A 'Submit Registration' button is at the bottom right. The footer shows '© 2025 Oliver Ni'.

p.m. GMT. A corresponding offline competition is on Friday, 27th January in Oxford. A timetable, specimen papers and more information about the competition can be found on our website <https://www.omtc.co.uk/>.

3.2 Once registered, you will have to be assigned a team by your coach in their panel

The screenshot shows the 'Student Information' page for OMTC Online 2026. The sidebar is identical to the previous page, but the 'My Events' section now shows 'OMTC Online 2026' as the selected event. The main content area has a header 'OMTC Online 2026' and a welcome message: 'Welcome to OMTC Online 2026! You have yet to be assigned a team by your coach at OMTC Test Coach.' Below this is a button 'Click here to take your tests (for online events only)'. The 'Student Information' section has fields for 'First Name' (Aakash), 'Last Name' (Shankar), and 'Email Address' (aakashshankar2005@gmail.com). The 'Grade' dropdown menu is set to '12 or above'. A 'Save Changes' button is at the bottom right. The footer shows '© 2025 Oliver Ni'.

Registering without a Coach

3.1 Click “Register without an organization/coach”

The screenshot shows the OMTC Online 2026 registration interface. On the left is a sidebar with the OMTC logo, 'My Events' (with a '+ Register for New Event' link), and 'Past Events' (listing 'CMC 2025' and 'SMT 2023 Online 128E'). A 'Sign Out' button is at the bottom of the sidebar. The main content area has a header with the OMTC logo and text stating that maths feel approachable for students without experience with supercurricular maths or olympiad practice. It also mentions that OMTC Online 2026 is on Saturday, 28th January, from 9:30 a.m. to 2:30 p.m. GMT, with an offline competition on Friday, 27th January in Oxford. A link to the website <https://www.omtc.co.uk/> is provided. Below this is the 'Registration' section with two buttons: 'Register Without A Coach' (selected) and 'Register With An Organization/Coach'. The 'Register Without A Coach' form includes fields for 'First Name *' (Aakash), 'Last Name *' (Shankar), 'Email Address', and 'Grade *' (12 or above). A 'Submit Registration' button is at the bottom.

3.2 One person on your team will have to click “Create Team” and then make a team.

This screenshot shows the OMTC Online 2026 registration page after the user has submitted their registration. The page title is 'OMTC Online 2026' and it says 'Welcome to OMTC Online 2026!'. A yellow banner with an exclamation mark icon states 'Registration is not complete! You must create or join a team to complete registration.' Below this banner are two buttons: 'Create Team' and 'Join Team'. A link 'Click here to take your tests (for online events only)' is also present. The 'Student Information' section shows the user's details: 'First Name *' (Aakash), 'Last Name *' (Shankar), and 'Email Address'. The sidebar on the left is identical to the previous screenshot, showing the OMTC logo, 'My Events' (with a '+ Register for New Event' link), and 'Past Events' (listing 'CMC 2025' and 'SMT 2023 Online 128E'). A 'Sign Out' button is at the bottom of the sidebar.

This screenshot shows the OMTC Online 2026 registration page with the 'Create Team' modal dialog box open. The modal has a title 'Create Team' and a close button (X). It contains a 'Team Name *' field with the text 'Dream Team' entered. Below the field are 'Save' and 'Cancel' buttons. The background of the page is dimmed, showing the same 'Registration is not complete!' message and 'Student Information' section as the previous screenshot. The sidebar on the left is also visible, showing the OMTC logo, 'My Events' (with a '+ Register for New Event' link), and 'Past Events' (listing 'CMC 2025' and 'SMT 2023 Online 128E'). A 'Sign Out' button is at the bottom of the sidebar.

3.3 Once a team member has made a team, they will get a team join code (unique to the team, which will be different to the one shown below).

Competing

5. Once you have completed the registration with/without a Coach, you can click “Click here to take your tests” to see the available tests. On contest day, the relevant competition rounds will be visible there.

The screenshot shows the OMTC Online 2026 user dashboard. On the left is a sidebar with the OMTC logo, a 'My Events' section listing 'OMTC Online 2026' and a '+ Register for New Event' link, a 'Past Events' section listing 'CMC 2025' and 'SMT 2023 Online' with a '128E' tag, and a 'Sign Out' button. The main content area is titled 'OMTC Online 2026' and includes a welcome message: 'Welcome to OMTC Online 2026! Your coach at OMTC Test Coach has assigned you to Team School Team 1.' Below this, a box shows 'School Team 1' with a user icon and the name 'Aakash Shankar'. A blue button reads 'Click here to take your tests (for online events only)'. The 'Student Information' section contains input fields for 'First Name' (Aakash), 'Last Name' (Shankar), 'Email Address' (aakashshankar2005@gmail.com), and 'Grade'.

6. Try out the practice contest to learn how ContestDojo works!

This screenshot shows the same OMTC Online 2026 user dashboard, but the main content area now displays available tests. It says 'The following tests are available for you to take:' followed by a box for a 'Practice Test' with a duration of '43800 minutes' and a 'Start' button. Below this is a 'Back to OMTC Online 2026' button. The sidebar remains identical to the previous screenshot.
